Last week's game in review:

John Hay 27, JFK 7

John F. Kennedy and South High are the other Cleveland Senate teams beside Glenville that had made it to the state playoffs recently. The John Hay Hornets are in the driver seat to be the next team. The Hornets (4-2, and 3-0 in the Senate) visited John F. Kennedy last Friday. The Hornets are in fourth place in the Division III, Region 9 state playoff poll. The top eight teams make it and the top four teams host the first round playoffs. The Hornets are aided by their freshman quarterback Mylik Mitchell and running back Carlin Ray. The duo made a statement in their 27-7 victory over John F. Kennedy. Mitchell had two touchdown passes, one to Ray. Ray had a 35-yard touchdown run in the fourth. The Eagles scored first and then the Hornets scored 27 unanswered points. It was the Hornets first victory over JFK since they came back to the league in 2009. The Hornets chances of remaining unbeaten are on the strength that they do not have Glenville on the schedule. The Hornets will have winless Lincoln-West in town on

Friday. On October 13, they will take on Rhodes. The Hornets will gain more points for their victories on D-I and D-II schools.
